

DECLARATION OF EC-CONFORMITY

Nr 001/05

F&F Filipowski s. j. ul. Konstanyowska 79/81 95-200 Pabianice Polska NIP: 731-000-53-14 REGON 470625813

The undersigned, representing the manufacturer listed above hereby declare that the goods

Identification of products:

Light Dependant Relays:

Types: AZH, AZH-106, AZH-C, AWZ, AWZ-30, AZH-S, AZH-S PLUS, AZ-B, AZ-B PLUS, AZ-112, AZ-112 PLUS

are compatible with the following directive (Directive) EC (including all its amendments and supplements)

Directive No (document)	Title
LVD 2006/95/EEC	Low Voltage Directive Regulation of the Minister of Economy of 20 December 2005 on essential requirements for electrical equipment (OJ No. 259, poz.2172)
EMC 2004/108/EEC	Electromagnetic Compatibility Directive The EMC Act of 13 April 2007 (OJ No 82, item. 556)

and that the standards applied and / or technical documentation listed on the reverse of the declaration. The last two digits of the year in which the CE marking was affixed: **05**

Standards and / or technical documentation, or portions thereof, applied to the product covered by this declaration of conformity	
-harmonized standards:	
Number	Title
PN-EN 60669-1:2002(U)	Switches for household and similar fixed installations - General requirements
PN-EN 60669-1:2002/A1:2003	Switches for household and similar fixed installations - General requirements
PN-EN 60669-2:2002(U)	Switches for household and similar fixed installations – specific requirements, electronic connectors
-other standards and / or technical documentation:	
Number	Title
PN-EN 61000-4-2,3,4,5,6,10 ENV 50204 CISPR 11	Electromagnetic Compatibility. Studies of resistance to voltage surges, fast transients, electrostatic discharge, electromagnetic field - Conducted and radiated; study low-frequency emissions, radiated and conducted interference.
-other technical solutions, details of which were included in the technical documentation or technical construction file:	
-Other documents or information requested by the EC Directive:	
Please be advised that compliance with these standards has been confirmed by tests performed by independent, qualified entity: - The low voltage directive: Office of Research on the quality of SEP - The EMC Directive: Institute of Electrical Engineering Wrocław University of Technology
